have made additions to them by innerlineations.

SENATOR DE CAMP: That is correct, there are two smaller ones....

PRESIDENT: Alright, will the Clerk read those please.

PRESIDENT: Do you have a motion on your desk Mr. Clerk?

CLERK: I do have a motion, Mr. President.

PRESIDENT: Senator Lewis for what purpose do you rise?

SENATOR LEWIS: Mr. President, I do not have copies of those amendments in my hand. I would like to evaluate them before making any judgments on major decisions like this. I would like this to placed on the desk of each member of the Legislature. I would ask that the bill be laid over until tomorrow when we can decide that.

PRESIDENT: There is a motion to bracket this bill until tomorrow. The...alright, there is unanimous consent to bracket the bill in its present condition. Is there an objection?

SPEAKER BURBACH: (mike not activated) not tomorrow. If you want some other day, I don't care but today we must take up LB703 and then tomorrow. We must finish some of these bills. PRESIDENT: Is there an objection? To bracketing this bill until Monday? Do you object to this Mr. Speaker? Do you object to the bracketing of this bill until Monday?

SPEAKER BURBACH: I don't know what bills we have bracketed for Monday. The Clerk advises me of one, but I think that there are possibly two. I want to assure Senator Lewis that the prior bracketed bills will come first.

PRESIDENT: Is there an objection to the request for unanimous consent to bracket this bill until Monday? Seeing none, it will be bracketed until that date. We will not consider 631A then at this time. That should also be bracketed until Monday unless there is an objection from the floor. Seeing none, that shall also be bracketed. We now consider on General File LB703
